

TW EQUIPMENT ATTACHMENTS

CARTON CLAMP

Built for Precision & Performance

No matter what you're moving—consumer paper products, appliances, electronics, wine packaged foods (canned or boxed), chemicals, or plastics—Cascade carton clamps deliver a rugged, reliable, and versatile solution for your toughest handling needs. Designed for efficiency and durability, these clamps make every lift smooth, secure, and effortless.

WG Models – Optimized for Space & Productivity

Engineered for white goods, warehousing, beverage, appliance, and electronics industries, WG Model clamps revolutionize material handling by enabling palletless transportation. This maximizes warehouse space, enhances precision handling, and boosts productivity, all while reducing product damage.

Appliance Applications

TVs & Large Screens

Ensures safe and stable transport of fragile electronics like TVs and large displays.

Kitchen Appliances

Firm + gentle grip, preventing scratches and dents when lifting and transporting appliances.

Laundry Machines

Securely lifts laundry machines for damage-free handling without the need for pallets.

Other Large Appliances

Carton Clamp is perfect for refrigerators, furniture, and other oversized products.

Compatible Equipment

3-WHEEL SIT DOWNS

Tightest turning radius for a Sit Down truck

4-WHEEL SIT DOWNS

Great choice for many MHE applications.

ELECTRIC TRUCKS

Best choice for most indoor applications

PROPANE TRUCKS

Best choice for most outdoor applications

HIGH CAPACITY TRUCKS

Best choice for very heavy and rugged outdoor applications

STAND UP TRUCKS

Great for dock to stock travel and easy exit and entry.

REACH TRUCKS

Best option for high and deep reach storage.

VNA TRUCKS

Best choice for most narrow aisle applications

Easy-Move Intelligent System

TFC™ - Precision at Your Fingertips

Enhance clamp performance with TFC™, an intuitive touchscreen control system designed for applications requiring precise clamp force and pressure regulation.

KEY BENEFITS:

- ✓ **Interactive & User-Friendly** – Simple touchscreen interface for easy operation
- ✓ **Precise Pressure Control** – Adjust clamp force with accuracy to protect delicate loads
- ✓ **Versatile Applications** – Ideal for industries requiring controlled handling
- ✓ **Improved Efficiency** – Reduces product damage and enhances workflow

Upgrade your operations with TFC™
– the smarter way to control clamp force!
