SLIP-SHEET PUSH-PULL

Productivity, flexibility, safety

Products of every kind are being handled on slipsheets instead of wooden pallets. Slipsheets are being used in various industries such as food, beverage, glassware, building materials, agricultural, paper, chemical, hardware and the automotive parts industry.

Bolzon Auramo has the solution to all your slipsheet handling needs. A complete range of Push Pulls engineered and designed for today's most demanding applications. The Dedicated Push Pull for the customer using exclusively slipsheeted loads and the Easy Rider Fork-Mounted Push Pull for operations requiring slipsheets on an intermittent or part time basis.

BOLZONI AURAMO

Fits Many Applications

Warehousing & Logistics

Streamlines bulk handling of packaged goods on slip sheets, optimizing space and reducing waste.

Manufacturing & Packaging

Improves material handling efficiency for products such as paper, plastics, or electronics that are packed on slip sheets.

Food & Beverage Distribution

Efficiently moves palletless loads like cases of bottled drinks or bagged products, reducing packaging costs.

Retail & Consumer Goods

Helps transport large shipments of boxed goods without the need for traditional wooden pallets.

Easy-Move Intelligent System

DURABLE YET FLEXIBLE

A Dedicated Push Pull enables you to handle, ship and store a wide variety of boxed, bagged, unboxed, cylindrical or rolled goods using slipsheets.

The results are lower pallet handling labor and pallet returns, and higher payloads.

- More power delivered to the payload with two stronger cylinders.
- Easy installation features.
- Quick disconnect hooks.

Compatible Equipment

3-WHEEL SIT DOWNS

Tightest turning radius for a Sit Down truck

4-WHEEL SIT DOWNS

Great choice for many MHE applications.

ELECTRIC TRUCKS

Best choice for most indoor applications

PROPANE TRUCKS

Best choice for most outdoor applications

HIGH CAPACITY TRUCKS

Best choice for very heavy and rugged outdoor applications

STAND UP TRUCKS

Great for dock to stock travel and easy exit and entry.

REACH TRUCKS

Best option for high and deep reach storage.

VNA TRUCKS

Best choice for most narrow aisle applications
